

### Town and County.

—Born to Mr. and Mrs. Frank (Cooge) Lovill, a baby boy.

—Attorney E. S. Coffey is attending Jefferson court this week.

—Big auction sale of merchandise at Cottrell's on Saturday, the 22nd. See ad.

—Regular meeting of Watauga Lodge at the Masonic Hall in Boone tomorrow night.

—A wee baby girl has come to brighten the home of Mr. and Mrs. Walter Winkler.

—John Whaley, who is in jail here charged with horse-stealing, will be given a preliminary hearing in Boone next Saturday.

—Regardless of the terrible mud and slush, Mr. Frank Robbins, traveling salesman, of Blowing Rock, was in town yesterday supplying our merchants, coming in his trusty Ford.

—Married at the home of the bride's parents, Mr. and Mrs. Jesse H. Brown, of Adams, on last Friday, Mr. Will Hagaman to Miss Julia Brown, the Rev. E. M. Gragg officiating.

—Revs. D. P. Waters and Joe Green are conducting a very successful revival meeting at Hope-well church; will continue at least through this week, the quarterly conference to convene there on Saturday next.

—Miss Lucy Hardin and Mrs. Clara Dougherty Brown will give a piano recital in the School auditorium Monday evening, April 17, at 7:30 o'clock. Miss Dodson, Soprano, will assist them in the programme.

—Mr. W. E. Shipley, Chairman of the Democratic Executive Committee of Watauga County, has changed the date for the county convention from the 22nd to the 24th inst. See change in official call in another column.

—Have you paid that poll tax? If not, why not? You have had due and timely notice. But listen again. If you have not paid your poll tax by May 1, you can not vote in the coming election. You can depend on that.

—Mr. David R. Shearer has purchased a lot on the heights of the Judge Council property just in front of the Methodist parsonage, but much higher up, and will erect a modern summer home thereon.

—Mr. I. M. Cook, who has been in the mercantile business at Virgil for quite a while has moved his stock to Elkland. He has a new, neat building there, and is now on the market for all kinds of produce.

—Mr. Will Edmisten and family, who left Watauga some four years ago for the west, are visitors for a short while at the home of Mr. Edmisten's parents, Mr. and Mrs. R. F. Edmisten, two miles east of the village, coming here from Indiana, where he has succeeded well. We trust their visit will be most pleasant.

—The Sheriff asks us to again say that he will be in the various townships of the county during the remainder of the month for the purpose of collecting taxes. He is anxious to collect and you should be anxious to pay. The books in the main will be found at his residence in Boone, where you can procure your receipt at any time.

—Dr. J. M. Hodges, of Cranberry, has obtained from the government fifty thousand mountain trout and had them placed in the waters of Boone's Fork, this county. Mr. Whiting, who owns this tributary to the Watauga almost from its source to its mouth, says he will see that the fish is protected from all trespassers until they are large enough for the anglers.

—The snow storm which was general throughout a large portion of the country, did not miss Watauga by any means. It began falling about noon Friday and continued almost unceasingly until well into the night Sunday, and on Monday morning the earth was covered to a depth

of 10 12 inches. However, today, Wednesday, the snows practically all gone and we look for settled weather.

—Two of the colored female cooks at Newland Hall, Bettie Horton and Mary Lenoir, had a "set to" of the old fashioned variety, in the kitchen of that institution on Saturday morning last, stove wood, kitchen utensils, etc., being the weapons of warfare used. The fight was a draw, as the house-keeper and Prof. I. G. Greer interfered before the pugilists had even finished the second round.

—At a meeting of the Republican State Executive Committee held in Greensboro last Saturday, Chairman Linney, of Boone, consented for his name to come before the primaries as a candidate for the nomination for Governor, which, of course, means his nomination. Frank will start out with heavy odds against him, but if it should so happen that North Carolina is to have a Republican Governor, his party, in our opinion, could not find a more suitable man for the exalted position than he.

**Prominent Educator Visits Watauga**

Prof. Burkitt, working under the Commission of Education for the United States Government, located at Washington, City, was here for some days last week looking into the public schools of the county with Supt. Hagaman, and also collecting data about the Training School. He is well pleased with the progress in the county, and believes that we have started an institution here of large proportions. He has visited and examined almost every college in Va., West Va., N. C., S. C. Geo., Fla., Tenn., and Ky.

**Car Line To Boone.**

There is renewed talk of an electric car line from Lenoir to Boone. Joy! That would be a "boon" indeed. We hope the dream of years may be realized. The rumor is that the Catawba Power Company, that bought a large tract of land on Johns river, is considering the matter. Just what this company proposes to do we are not advised, but we are sure of one thing. It is a great undertaking they are planning down the river with their power plant, and we may look for wonderful developments in this section. We can encourage the promoters in all of their plans to benefit this territory, and a hearty co-operation should be given them. We hail the day when we shall be linked to Watauga's capital by electricity. The mountains will rejoice and the little hills will clap their hands in glee. If the Catawba Power Company will just tell us that these rumors are true, it will be happiness for one day—and about as much as we can stand at one time.—Lenoir News.

Housework is trying on health and strength. Women are inclined to kidney and bladder trouble as men. Aching back, stiff, sore joints and muscles, blurred vision, puffiness under eyes, should be given prompt attention. Foley Kidney Pills restore healthy action to irritated kidneys and bladder.
